# BUNNY DOT SQ CEILING

FIXTURE TYPE: \_\_\_\_\_

PROJECT NAME: \_\_\_\_\_

NOTES:

**GENERAL INFORMATION:**

BUNNY DOT CEILING is a versatile recessed lighting series designed for ceilings, ideal for highlighting architectural elements, decorative ceilings, and interior or covered outdoor spaces. Available in various sizes, optics, and wattages, it provides precise and durable illumination for architectural applications. The high-resistance aluminum body with nano-bonderite treatment and textured powder coating ensures long-term protection against UV exposure and environmental conditions. Silicone gaskets and an ultra-clear tempered glass diffuser guarantee optimal sealing and maximum light output, complemented by stainless-steel trim and hardware. A water-lock system prevents cable condensation, while the polypropylene rough-in housing allows safe recessed ceiling installation. Designed for flush mounting, it integrates seamlessly into ceiling structures, offering a clean and elegant architectural lighting solution.

**FIXTURE TYPE:**

Ceiling

**VOLTAGE:**

110-277V

**MATERIAL:**

Stainless steel AISI 316L, Extruded aluminum EN AW-6060 T5 high resistance to oxidation

**IP RATING:**

IP 68

**DIFFUSER:**

Tempered glass (5mm)

**WARRANTY:**

LED lighting products are warranted for 5 years.

**DRIVER POSITION:**

Remote

**MAIN FEATURES:**

- High visual comfort
- Available in a wide choice of optics
- Functional and minimalistic design
- Reduced depth of recess
- Operating Temperature: -4°F to +122°F.
