NOTES:

GENERAL INFORMATION:

The WIRE Series by Bullard Bollards is a collection of outdoor pendant lamps that combine minimalist design with warm, atmospheric illumination. Each fixture features a durable metal and brass construction, available in brass or black finishes, engineered to withstand exterior conditions while maintaining a refined aesthetic.

Designed to enhance terraces, patios, pergolas, and covered outdoor lounges, the series creates a soft, welcoming ambiance in open-air environments. Each lamp is equipped with a 10W LED light source, available in 2700K, 3000K, or 4000K color temperatures, delivering comfortable and well-balanced illumination suited for outdoor settings. With its clean geometry and versatile sizing options, the WIRE Series integrates seamlessly into a wide range of contemporary outdoor applications.
