GENERAL INFORMATION:

Elegant curves and a robust appearance, the perfect description for this bollard lamp. Their appearance is strongly reminiscent of a snake, so it is not surprising that the lamp bears the name Cobra.

The handmade outdoor lamp Cobra consists of BETALY®, a robust, thermal and UV-resistant material suitable for outdoor use. The LED light source is located on the head of the "snake" and is protected by an etched and tempered glass. The bollard light shines a direct light downwards, has an IP65 protection and is available in 5 current colors: white, green, corten, grey and black (anthracite).
