FIXTURE TYPE: _____

PROJECT NAME: _____

GENERAL INFORMATION:

The Anthea bollard by Bullard Bollards draws inspiration from plant forms, featuring sinuous curves that create an elegant vertical twist. Its body diffuses soft light through thin slits running along the entire edge, illuminating pathways with a natural spectacle. Handmade in Italy, the Anthea is crafted from BETALY®, an innovative material known for its durability and design flexibility. It is available in various color options, including White, Green, Corten, Grey, Black, and Sand, allowing for integration into diverse outdoor aesthetics. The bollard is equipped with a 13W LED light source, offering a luminous flux of 1360 lm at a color temperature of 3000K. It requires a remote driver (not included) and is rated IP65, providing protection against dust and water ingress, making it suitable for outdoor environments.
