GENERAL INFORMATION:

Queen of Love is the unique armchair created by the designer Graziano Moro and Renato Pigatti. The iconic Queen of Love armchair is the first and the most loved product of the whole Design of Love collection: as a throne, Queen of Love crowns everyone who sits on it. Queen of Love is full of details, as typical baroque style, but it is contemporary, pop and ironic thanks to the material in which it is made, polyethylene. Queen of Love is elegant, attractive, pop and unforgettable, for this reason it is often the protagonist of tv shows and international events.
