GENERAL INFORMATION:

The LUNAR garden bollard is a refined outdoor lighting solution designed to deliver soft, uniform illumination with a contemporary architectural presence. Inspired by the simplicity of lunar forms, its gently domed head provides comfortable, glare-controlled light ideal for pathways, gardens, and landscape features. Engineered for durability and performance, LUNAR features a robust aluminum housing with high-quality powder coating, ensuring long-term resistance to outdoor conditions. The integrated LED system offers high luminous efficiency and consistent light output, while the 360° distribution enhances spatial visibility and safety in exterior environments.
