MR. INDIAN GREEN

Bollard

Fixture Type:

Project Name:

Notes:

General Information:

Mr. Indian Green is crafted from solid natural travertine marble and equipped with energy-efficient LED technology featuring adjustable color temperature, these luminaires achieve a refined balance between rustic character and contemporary minimalism.

Designed for the illumination of pathways, squares, and entrance areas, they provide both functional lighting and an elegant architectural presence.

This model is available in two height options: 21" and 38.7". The 180° double-sided luminous design enhances visual comfort and creates a balanced lighting effect.

The 20W LED bollard can be operated via standard on/off switching or integrated into a DALI control system for advanced lighting management.

Voltage:

110-277V

Material:

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

Lighting:

LED

IP Rating:

IP 65

IK Rating:

IK 08

Appliance Class:

I

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
