**GENERAL INFORMATION:**

The Minù bollard by Bullard Bollards is an outdoor lighting fixture crafted from BETALY®, an innovative material known for its durability and design flexibility. Its unique design comprises two distinct elements, allowing for customizable two-color combinations. The bollard emits a diffused and delicate light through its LED component, making it ideal for illuminating gardens, pathways, and terraces. Available in various colors, including White, Green, Corten, Grey, Black, and Sand, it can seamlessly integrate into diverse outdoor settings. The Minù is equipped with a 4W LED light source, offering a luminous flux of up to 630 lm at a color temperature of 3000K. It has an IP65 rating, ensuring protection against dust and water ingress, making it suitable for outdoor environments.
