KARMA
POLE
GARDEN

Fixture Type:

Project Name:

Notes:

General Information:

A versatile lighting solution designed for traditional architectural settings, the KARMA combines timeless form with durable composite construction. Its seamless one-piece body enhances structural integrity while preserving a refined visual profile.

Corrosion-resistant and UV-stabilized materials ensure long-term outdoor performance without maintenance or repainting. Available in multiple heights to support varied lighting applications.

Applications: residential streets, pedestrian pathways, landscaped environments

Material:

Resin + Expanse + Steel

IP Rating:

IP 55

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
