# CAGE COLLECTION PENDANT

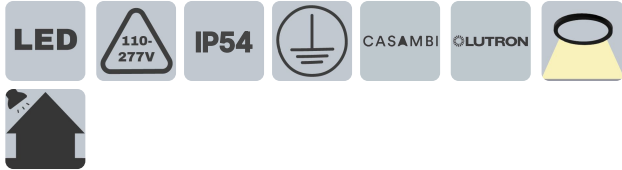

FIXTURE TYPE: \_\_\_\_\_

PROJECT NAME: \_\_\_\_\_

NOTES:

**GENERAL INFORMATION:**

The Cage Pendant Collection by Lola Lighting is a series of sculptural outdoor pendant luminaires that combine bold geometric form with integrated LED performance. Constructed from metal and finished in matte black (V0199), each fixture features an open, cage-like structure that produces striking light and shadow patterns across surrounding surfaces. Engineered for exterior applications such as covered patios, pergolas, terraces, and hospitality outdoor spaces, the collection includes two scale options: Ø 31.50" (80 cm) with a 12W LED board, and Ø 43.31" (110 cm) with an 18W LED board. Both models deliver neutral white illumination at 4000K, ensuring clear, functional lighting while maintaining a strong architectural presence in outdoor environments.
