**SANGHA
PENDANT**

FIXTURE TYPE: _____

PROJECT NAME: _____

NOTES:

GENERAL INFORMATION:

Sangha is an outdoor pendant lamp designed with sustainability at its core, made from 100% ecological and recyclable materials suitable for exterior use. Its rounded form and open structure create a warm, controlled light effect, casting subtle patterns on surrounding surfaces in covered outdoor environments.

Available in multiple diameters, suspension lengths, and contemporary finishes, Sangha offers high flexibility for outdoor residential and commercial applications. It is well suited for restaurants, hospitality projects, terraces, pergolas, and other sheltered exterior spaces, whether used as a standalone feature or in repeated compositions.

Compatible with LED or E26 light sources, multiple CCT options, and dimming configurations, Sangha meets modern outdoor lighting requirements while maintaining a natural, tactile aesthetic.
