# MR. SKINNY

Bollard

Fixture Type:

Project Name:

Notes:

**General Information:**

Mr. Skinny is crafted from solid natural travertine and equipped with energy-efficient LED technology featuring adjustable color temperature. The luminaire achieves a refined balance between natural texture and contemporary minimalism.

Designed for pathways, plazas, and entrance areas, it delivers both functional illumination and a strong architectural presence.

The model is available in two height options: 20" and 37.7". Its 180° double-sided light distribution enhances visual comfort while ensuring a balanced and consistent lighting effect.

The 20W LED bollard supports standard on/off operation and can be integrated into a DALI control system for advanced lighting management.

**Voltage:**

110-277V

**Material:**

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

**Lighting:**

LED

**IP Rating:**

IP 65

**IK Rating:**

IK 08

**Appliance Class:**

I

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
