**FEBI**  
POLE  
GARDEN

Fixture Type:

Project Name:

Notes:

**General Information:**

A compact contemporary lighting pole designed for durability and visual clarity, FEBI 150 features seamless one-piece construction for enhanced structural reliability and a clean architectural profile.

Built from corrosion-resistant composite materials with moulded color throughout, it requires no painting or ongoing maintenance. Integrated Class II insulation and a secure ground fixation system ensure safe, dependable outdoor performance.

Applications: pathways, landscape lighting, commercial developments

**Material:**

Resin + Expanse + Steel

**IP Rating:**

IP 55

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
