MR. DARK EMPERADOR

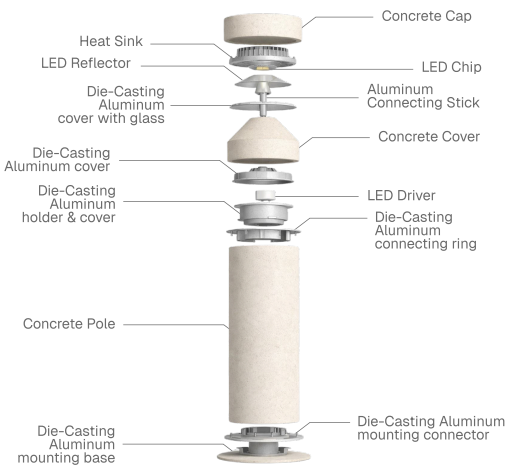

Bollard

Fixture Type:

Project Name:

Notes:

General Information:

Mr. Dark Emperador is crafted from solid natural travertine marble, this luminaire combines the raw character of natural stone with clean, contemporary design. The result is a refined lighting element that balances rustic materiality with modern minimalism.

Equipped with energy-efficient LED technology and adjustable color temperature, the fixture delivers both performance and flexibility. It distributes illumination evenly in a 360° pattern from the mounting location, providing soft and consistent ambient light.

Designed for outdoor environments, these luminaires are ideal for illuminating pathways, squares, and entrance areas, creating a welcoming and well-defined architectural atmosphere.

The fixture is available in two sizes with overall heights of 21.2" and 38.9". The 20W LED bollard can be operated via standard on/off switching or integrated into lighting control systems through DALI compatibility.

Voltage:

110-277V

Material:

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

Lighting:

LED

IP Rating:

IP 65

IK Rating:

IK 08

Appliance Class:

I

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
