GENERAL INFORMATION:

The KERIS features a distinctive geometric design that adds a sculptural architectural element to both interior and exterior environments. Constructed from durable Betaly® aluminum and rated IP65, this fixture is engineered for long-lasting performance in demanding outdoor conditions. Powered by an energy-efficient 11W LED and operating on 110–277V, it delivers up to 1600 lumens with warm color temperature options ranging from 2200K to 3000K, creating comfortable ambient illumination. The luminaire supports multiple dimming control options and is available in a range of refined finishes, making it a versatile lighting solution for residential, commercial, and hospitality applications where both design and performance are essential.
