PROJECT NAME: _____

GENERAL INFORMATION:

The Bullard Bollards COMPATTO 2 is a modern, high-performance LED bollard fixture designed for outdoor applications requiring both durability and visual elegance. Made from extruded aluminum and rated IP65, it offers excellent resistance to weather and environmental stress, making it ideal for pathways, entrances, and public spaces. It features 2 x 11.9W LED modules delivering 3000K warm white light at 1720 lm, with a 91° beam angle for broad and comfortable illumination. The fixture is available in multiple height options (11.81", 19.7", 31.5") and comes in a variety of matte finishes including anthracite, white, black, corten, and green. With dimming options including 0-10V, Casambi, Lutron, and Dali, the COMPATTO 2 combines functional flexibility with a minimalist design aesthetic, backed by a 5-year warranty.

FIXTURE TYPE:

Bollard

VOLTAGE:

110-277V

MATERIAL:

Extruded aluminum

DRIVER POSITION:

Integral

IP RATING:

IP65

BEAM ANGLE

91°

WARRANTY:

LED lighting products are warranted for 5 years.

MAIN FEATURES:

High visual comfort
Available in a wide range of finishes
Functional and minimalistic design
Operating Temperature: -104°F to +140°F.
