GENERAL INFORMATION:

The Forge Spotlight is a rugged, high-performance outdoor LED fixture designed for precise architectural and landscape illumination. Crafted from durable die-cast aluminum with stainless steel hardware and an IP67 rating, it is built to withstand harsh exterior conditions while maintaining long-term reliability. The adjustable head offers excellent aiming flexibility with 350° rotation and ±90° swivel, complemented by multiple beam angles from 17° to 61° for controlled accent or medium flood lighting. Available in 3000K and 4000K with CRI >80, the Forge Spotlight delivers comfortable, well-defined light with strong visual impact. Featuring an integral driver, multiple dimming options, and a wide range of finishes and accessories, it is an ideal solution for highlighting façades, landscape features, and architectural details with strength and precision.

FIXTURE TYPE:

Spot Lights

LIGHTING:

LED

VOLTAGE:

110-277V

GASKETS:

Silicone gaskets

MATERIAL:

Die-cast aluminum EN AB 44100 highly resistant to oxidation

EXTERNAL SCREWS:

Stainless steel A4-70 treated with highly antioxidant water-repellent lubricating solution

DIFFUSER MATERIAL:

Tempered glass 6mm

OPTICS:

Reflector in anti-UV technopolymer with super pure aluminum metallization
