MR. SILVER TRAVERTINE

Bollard

Fixture Type:

Project Name:

Notes:

General Information:

Mr. Silver Travertine is crafted from solid natural travertine marble, these luminaires combine the warmth of natural stone with energy-efficient LED technology and adjustable color temperature, achieving a balance between rustic character and contemporary minimalism.

Designed for pathways, plazas, and entrance areas, the bollards provide soft, evenly distributed illumination. The collection is available in two heights – 20" and 37.7" – and features a 20W LED light source compatible with on/off switching or DALI control.

The stepped structure surrounds a concentrated light source, refining the light emission and enhancing visual focus while delivering uniform 360° illumination from the mounting point.

Voltage:

110-277V

Material:

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

Lighting:

LED

IP Rating:

IP 65

IK Rating:

IK 08

Appliance Class:

I

S

M
