

Automatic Hydraulic Bollard AKS305(square model)-(BB)-(CC)

CODE:

AKS305 (square model)

MATERIAL

304 stainless steel

SYSTEM CONTROL:

Hydraulic & electrical

PRODUCT FEATURES:

Can pass 80-120 tons of container trucks

GENERAL INFORMATION:

Power supply:	110V
LED lights:	RGB
Working temperature"	-65°C - 75°C

IP RATING

Waterproof and dustproof of hydraulic power movement: IP68

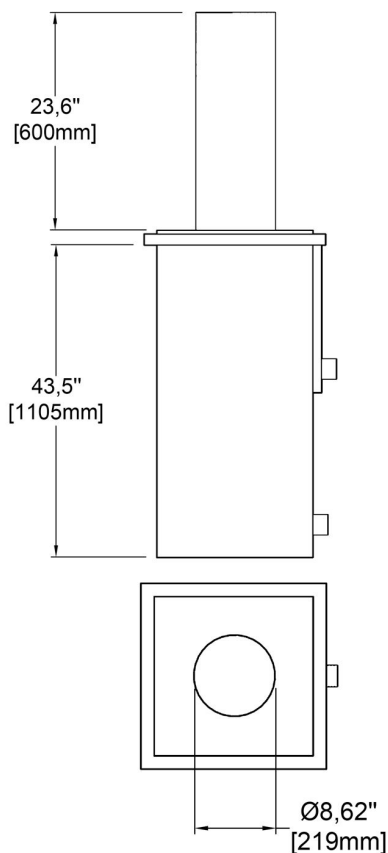

CONTROL SYSTEM (Once control 8 bollards)

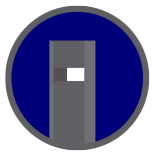

1. Control system: PLC programming command
2. Controller caninet: Standart configuration
3. Remote control distance: 50-100M
(based on the environment)
4. Button and remotes
5. Power supply

LED COLOR (BB):

- | | |
