**-50%**

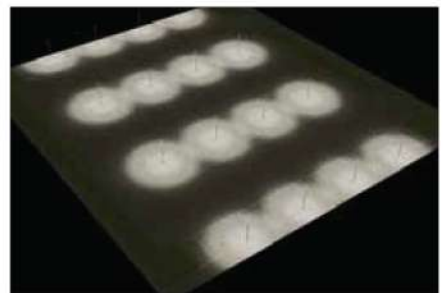

**CONSUMPTION**  
Installation example VENEZIA MH vs VENEZIA LED (16 fixtures)

## KIT RETROFIT LED

You get immediate savings replacing 70W metal halide engine with new LED Retrofit Kit; the investment is paid back in less than two years. In four years total consumption and maintenance costs saving is 40%.

VENEZIA MH70  
 Fixture output lumens  
 4462 lm

# D24 Venezia

Venezia models, in any version, fully meet all the Regulations and local Laws related to luminous pollution.

## TIPOLOGY

POLE MOUNTED

Harmonious by day, romantic by night. Venezia is the antithesis of the “decorative” glaring lamp posts which deny the balanced and non polluting light control, that should be the first requirement for quality public lighting.

ENVIRONMENTS

Urban landscape, street lighting

## COLOURS

## CHARACTERISTICS

CONSTRUCTION

Corrosion resistant die-cast light alloy fixture support and pole connection. High stress resistant composite technopolymer body. Polyester powder coating, with a pluri-processed against corrosion (passed the exposure of over 1500 hours in a saline mist environment). silicone rubber gaskets. Automatic mains electrical sectioning at fixture opening. Wind exposed surface 0,2m<sup>2</sup>.

OPTICAL SYSTEM

Tempered safety glass. Extra pure aluminium reflector.

SOURCES

LED CRI>80 MacAdam 3

LIFETIME(LED VIRSIONS)

50.000h L80B20 (Ta=25°C)

WIRING

Easy as a bulb replacement

With simple pressure the fixture is opened.

Loosen the three fixing screws of the electrical block.

Extract the electrical block.

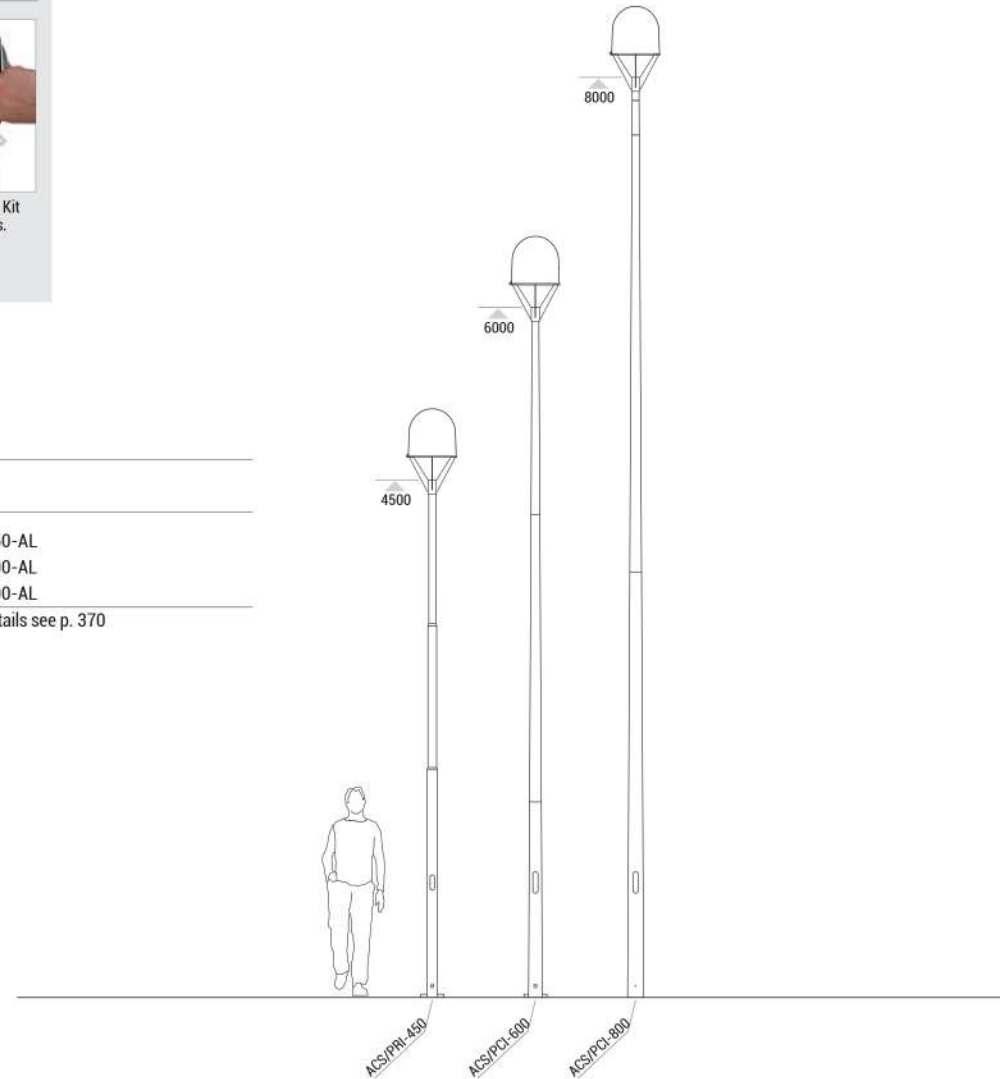

Insert the LED Retrofit Kit and tighten the screws.
