**GENERAL INFORMATION:**

Lord of Love is a table that reminds of Italian Baroque style, rich in details. The table is elegant thanks to its mix of different materials: the base is in polyethylene, which reminds of the pop, vintage and ironic style of the whole Design Of Love collection, while the white top is in HPL, which gives a touch of refinement to Lord of Love. Lord of Love is a table ideal for original contract projects and unforgettable events, because the table is contemporary, colourful and elegant at the same time, and it is ideal for indoor and outdoor settings.
