GENERAL INFORMATION:

Low Lita Lounge is a chaise-longue that belongs to Low Lita collection, created by the Italian famous designer Paola Navone. The slim design of the back and of the seat perfectly matches with the four huge legs that hold it and give Low Lita Lounge stability. The design chaise-lounge pays tribute to typical African seats, but polyethylene gives contemporary and playfulness to the product. Low Lita Lounge evokes comfort and relaxation, as the whole Low Lita collection.
