GARDEN

Fixture Type:

Project Name:

Notes:

General Information:

Defined by clean lines and minimal form, the ARG RANGE delivers reliable outdoor lighting performance through seamless one-piece construction and maintenance-free materials. Moulded color throughout the structure preserves its appearance over time without requiring repainting.

UV-stabilized and corrosion-resistant, the range is designed for long-term durability in demanding outdoor environments. Integrated Class II insulation enhances electrical safety across urban and pedestrian applications.

Applications: contemporary streetscapes, pathways, commercial environments

Material:

Resin + Expanse + Steel

IP Rating:

IP 55

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
