PEAK
(ILLUMINATED FURNITURE)

FIXTURE TYPE: _____

PROJECT NAME: _____

NOTES:

GENERAL INFORMATION:

Peak is an eccentric high table, available in standard or in luminous version and designed by Aksu and Suardi studio. Peak has got an extremely linear design: its base has got a conical shape made in polyethylene, with a round top in tempered glass in different dimensions. The main feature of Peak is the central bottle rack, ideal for special occasions. Peak is available for indoor use only, it is ideal to create a dreamy atmosphere thanks to the dim light of its base.
