**GENERAL INFORMATION:**

The Ego Bollard by Bullard Bollards is a stylish and functional lighting solution crafted from laser-cut steel, designed to create captivating light and shadow effects. Available in five distinct models, it offers versatility to suit various outdoor and architectural settings. The fixture is treated with a specialized coating for durability against environmental conditions. It comes in Bottom Lighting, which directs light upward for an ambient glow, and Top Lighting, which casts illumination downward for pathway visibility. Combining artistic design with practicality, the Ego Bollard enhances residential and commercial landscapes with a modern and decorative touch.
