**MR.
BLACK**
Bollard

Fixture Type:

Project Name:

Notes:

S

M

General Information:

Mr. Black is crafted from solid natural black marquina marble and equipped with energy-efficient, adjustable color-temperature LED technology, this luminaire achieves a refined balance between organic texture and contemporary minimalism.

Designed for pathways, plazas, and entrance areas, it delivers architectural illumination that enhances both functionality and visual identity.

The product is available in two height options: 21.2" and 38.9". The 20W LED bollard can be operated via standard on/off switching or integrated into a DALI control system for advanced lighting management.

The design concept integrates stepped geometry with a focused light source, optimizing beam precision and enhancing visual concentration.

Light is distributed evenly in a full 360° pattern from the mounting point, ensuring consistent ambient coverage.

Voltage:

110-277V

Material:

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

Lighting:

LED

IP Rating:

IP 65

IK Rating:

IK 08

Appliance Class:

I

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.

1 Models:

-S

A) Diameter - Ø: 7.5" (19.2 cm)

B) Height - H: 21.2" (54 cm)

LIGHT SOURCE:

SMD LED | 20W | 1019 lumens

WEIGHT:

50.7 lb

-M

A) Diameter - Ø: 7.5" (19.2 cm)

B) Height - H: 38.9" (99 cm)

LIGHT SOURCE:

SMD LED | 20W | 1019 lumens

WEIGHT:

108 lb
