# MR. TEATH

Bollard

Fixture Type:

Project Name:

Notes:

**General Information:**

Mr. Teath is crafted from solid natural travertine and integrates energy-efficient LED technology with adjustable color temperature, achieving a refined balance between natural materiality and contemporary minimalism.

Designed for pathways, plazas, and entrance areas, it provides both functional illumination and a distinct architectural presence.

The luminaire is available in two height options: 20" and 37.7". Its 180° double-sided light distribution enhances visual comfort while delivering a uniform and well-balanced lighting effect.

The 20W LED bollard supports standard on/off operation and can be seamlessly integrated into a DALI control system for advanced lighting control.

**Voltage:**

110-277V

**Material:**

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

**Lighting:**

LED

**IP Rating:**

IP 65

**IK Rating:**

IK 08

**Appliance Class:**

I

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
