# MR. WHITE

Bollard

Fixture Type:

Project Name:

Notes:

**General Information:**

Mr. White is crafted from solid natural volakos white marble and equipped with energy-efficient LED technology featuring adjustable color temperature, this luminaire achieves a refined balance between rustic character and contemporary minimalism.

Designed for pathways, plazas, and entrance areas, it provides architectural illumination that enhances both safety and spatial identity.

The model is available in two height options: 21.2" and 38.9". The 20W LED bollard supports standard on/off switching or integration with a DALI control system for advanced lighting management.

Light distribution can be configured in 90°, 180°, or full 360° patterns from the mounting position, ensuring precise and adaptable illumination coverage.

**Voltage:**

110-277V

**Material:**

MARBLE, DIE-CASTING ALUMINUM, SAFETY GLASS

**Lighting:**

LED

**IP Rating:**

IP 65

**IK Rating:**

IK 08

**Appliance Class:**

I

Due to the dynamic nature of lighting products and the associated technologies, luminaire data on all specification sheets is subject to change at the discretion of Gordon Bullard LLC and associated companies.
