MINERAL SUSPENDED PENDANT

FIXTURE TYPE: _____

PROJECT NAME: _____

NOTES:

GENERAL INFORMATION:

Thanks to its pure spherical geometry, the Mineral suspended lamp adds a refined and contemporary touch to both indoor and outdoor settings. Its distinctive marbled polyethylene finish elevates a durable technical material into a surface with the visual richness of natural marble. Mineral is ideal as a single statement pendant in residential spaces or as part of a multi-size composition with a rosette system, creating a strong luminous focal point in hospitality and contract environments. The fixture is available in three different diameters and features a marbled finish with either gray or red veining, ensuring versatility across diverse architectural contexts.
