NOTES:

GENERAL INFORMATION:

The Arciere combines minimalist design with durable performance, making it ideal for modern architectural and exterior lighting applications. Featuring a smooth, rounded form and constructed from high-quality metal with an IP65 rating, this fixture is designed to withstand outdoor environments while maintaining a refined aesthetic. It operates on 110–277V and uses an energy-efficient 5.5W LED light source, delivering 720–800 lumens with color temperature options from 2200K to 3000K for warm, inviting illumination. The luminaire supports multiple dimming options for lighting control flexibility and is available in several premium finishes, allowing it to complement a wide range of architectural styles in residential, hospitality, and commercial settings.
